

Dear Fellow Farmer,

I am happy to announce that the Denison Society has voted to accept the establishment of the Denison Farmers Market for 2006.

Since this is our first year many farmers will not know about this opportunity until after the deadline, therefore we have chosen to send applications to many of the farms which participated in Farmers Markets across Connecticut last year.

We have decided to adopt the concept of the Coventry Regional Farmers Market as the Premier Market we aspire to be like. While our first market will start small, we do intend to grow and present not only the participating Farmers but the general public with a unique Farm, Garden, and Home experience.

We can assure you that our publicity campaign, signage and community involvement will be second to none. Mystic is a huge tourist and State resident attraction that we intend to use to our advantage.

Be sure to look over the enclosed materials and, if you are currently not in a position to join us this year, please do pass this material on to someone who may wish to be among the first in our first year.

As with any new venture volunteers are always in short supply, we welcome farmers and others who may wish to help out and serve on the DFM committee. Please help us make this the Coventry Regional Farmers Market of the Sea Coast. Many thanks to the CRFM for allowing us to adapt their forms for our use.

The Market this year will start on Sunday June 4th and run through Sunday Oct 29th. Our hours will be 12:00 to 3:00 PM.

Cheers,
